08.18-08.22

2014

Utility Installation Nears Completion at Site Entrance West

Utility Installation Continues Across Parking Lot East

Backfill and Testing Follow Immediately Behind Utility Installation

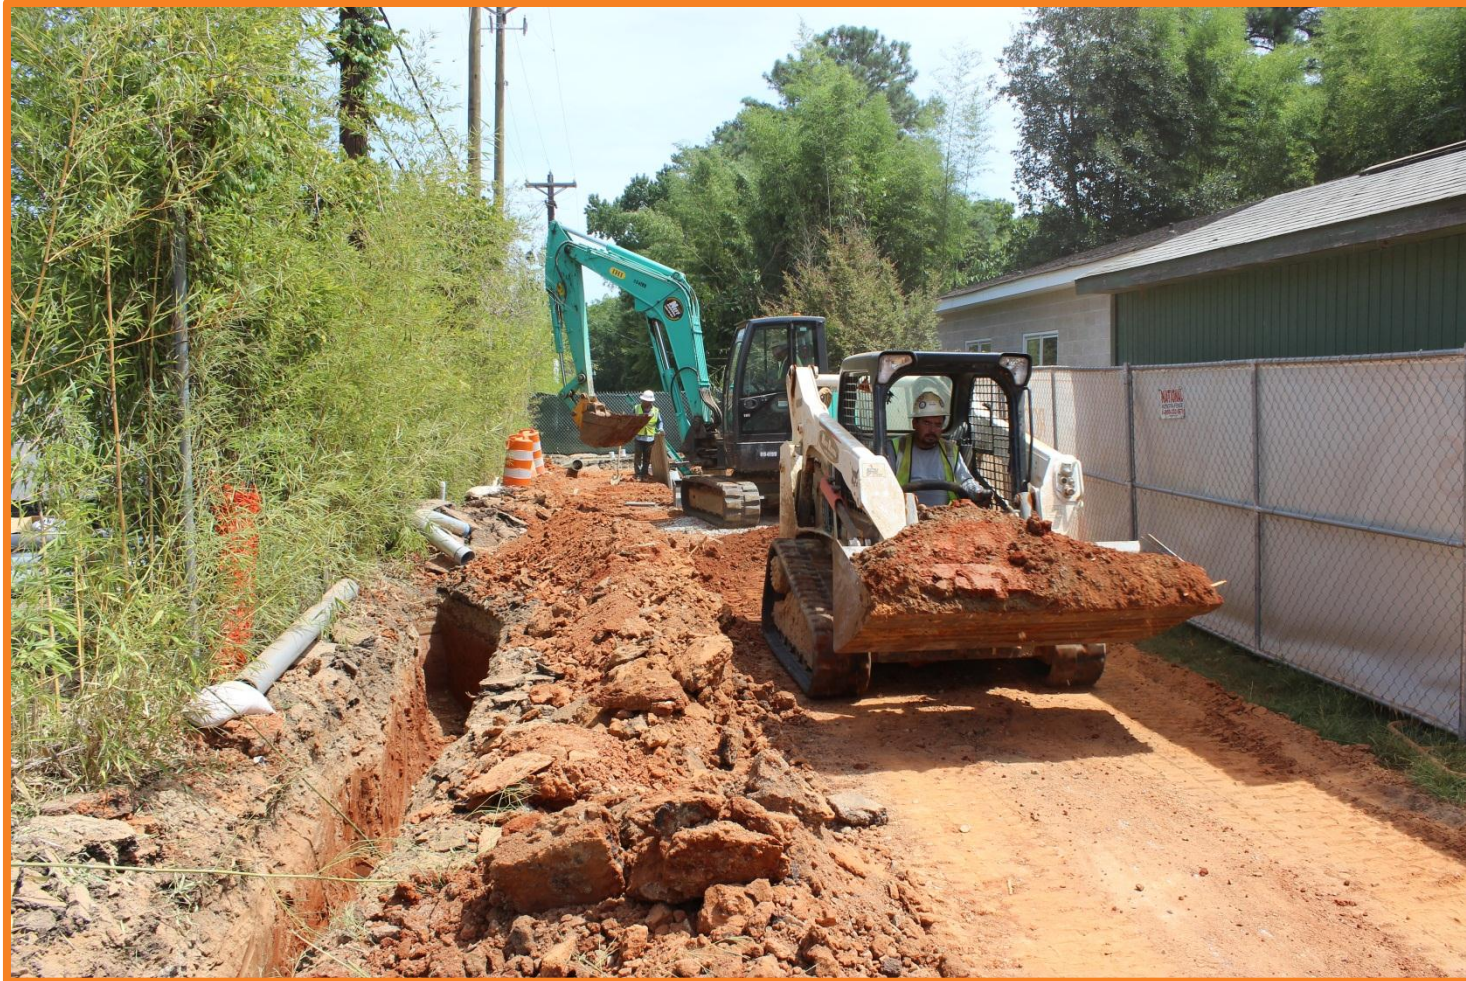

Installation of Hydrants Continue at Future Entrance Plaza

Installation of Utilities Behind the Bird Conservatory

Man Hole Placement in Preparation for Utility Tie-In at Bird Conservatory

Installation of Sump Pit at Baboon to Begin Shortly

Steady Progress Continues for the Grizzly Exhibit

Rough Grading of Tapir Exhibit and Barn Continues

The Condition of the Site has Improved Since the Heavy Rains Last Week

One Week Look Ahead

The Relocation of Utilities will continue to be the primary focus of work next week. Placement and tie-in for Domestic Water and Power will complete this phase of work along the North Entrance into the Site. Steady progress will continue on the backfill of exhibits.

YOUR NEW GRIZZLY AND OTTER EXHIBITS COMING SOON
