

Sensory-Friendly Night

at  WILD LIGHTS

Presented by   South Carolina

December 3 | 5-9pm

Riverbanks Zoo and Garden is enhancing its commitment to inclusivity by hosting its first-ever sensory-friendly night. This special evening is designed to provide a welcoming and enjoyable experience for all guests, including those with sensory sensitivities.

Key Features:

- Dimmed and static lighting in select areas
- Lower music volume
- Designated quiet zones
- Visual guides and clear signage
